**The Quran: With or Against the Bible?** 2012-06-11 Ejaz Naqvi, MD Too often we are tempted into thinking how wrong other people's religions and scriptures are, rather than focusing on what's right about our own. We act like some of our politicians during election campaigns rather than following the teachings of our own holy books. Breaking the trend, author Dr. Ejaz Naqvi provides an objective, topic-by-topic review of the two most read books in the world—the Holy Bible and the Holy Quran. The Quran: With or Against the Bible? addresses the key themes of the Quran and answers commonly asked questions in search of finding common ground: • Who wrote the Quran? • Who is the "God" of the Quran? • What is the Quranic view of the prophets, especially Moses and Jesus? • What does the Quran teach about interfaith relations? • Does the Quran promote peace and harmony between Muslims and the People of the Book, or does it promote violence? • How does the Quran compare to the Bible on important themes like worshipping God, the prophets, human rights, moral values, and fighting for justice and human dignity? • Does the Quran render women as second-class citizens? Dispelling major myths, The Quran: With or Against the Bible? Systematically analyzes and compares the similarities in the paths of guidance the two scriptures have bestowed upon mankind.

*100 Questions and Answers* 2013-10-25 Andrew E. Igene The Lord told me to write this book, to bring believers back to the foundations of our most holy faith and to set the pattern (preparation) for Gods next move in revival. Indeed, this is the hour of true prophetic alignment of latter-rain teaching and deliverance anointings. But there has been a missing link.... that of returning to the basics, instead of the false populist doctrines of neo-apostles. This book fills the gap and restores the missing part of the puzzle. True prophets and teachers will find this book helpful and complementary, because it is a work of the Spirit. Author ANDREW IGENE declares that the glory of the Lord is coming to prepared and willing vessels, who are active in the Harvest field, revealing Jesus and His Word. Gods Word and His Spirit are one! We must clean up the House for Him to dwell in (by His Spirit). This prophetic cry will energize your faith with truth and boldness. This is your time to receive. This is your time to reign in Christ Jesus! Traveling Apostle, evangelist, teacher and revivalist, he moves in prophetic and deliverance anointings. Why Ask Questions About Islam?: Answers Christians Need to Understand 2016-07-11 Gordon Kainer Across the world, Islam appears in eye-catching headlines. We may be aware of what is happening but often we don't understand why. Most Christians have unanswered questions about Islam, don't we? Do Muslims and Christians worship the same God? Does it matter whether one is a Muslim or a Christian? How does Islam view love, sin, salvation, and forgiveness? Is a Muslim's view of Jesus different than a Christian's? What does Bible prophecy say about Islam? How best should a Christian witness to a Muslim? This book answers over 100 questions Christians ask about Islam, and in so doing, reveals Islam's greatest need: a saving faith in the gospel of Jesus Christ. It is the author's hope that this book provides you with a highly informative perspective as Islam is thoughtfully studied and evaluated within the framework of a biblical worldview.

*77 Truths about Jesus Revealed in Quran!* 2022-01-04 Jegan Fernando, MD The author of this book was interested in learning the four major religions of the world—Christianity, Islam, Hinduism, and Buddhism. As a result of five years of intensive study of all the holy books, he came up with three books with the following titles: 1000 Similarities and 100 Differences between the Holy Bible and Holy Quran This will reveal the major doctrinal sameness and differences between these two religions. 700 Amazing Similarities and Differences between Bhagavad-Gita and Bible This will explain the verses of the Hindu holy book, comparing it with the Holy Bible. Word of Truth of Dhammapada and Way of Truth through Bible This book explains the 423 verses of Buddhist holy book, comparing them with that of the Holy Bible. These books were written in a simpler manner without making any changes on the original wordings for the people to easily read, understand, and explore. These books will eliminate the doubts, question, and false assumptions among these religions so that each reader will gain a sound understanding of the teachings of these four major religions of the world. Among these four religions, in my view, Christianity and Islam appear to be very close to each other. Surprisingly, the name of Jesus is mentioned in the book of Quran at least seventy-seven times. Hence, the author wants to separate this significant finding to explain further to those readers who are interested to know what the Quran reveals about the Christian prophet, Jesus. *77 Truths about Jesus Revealed in Quran!* They are very interesting to read, understand, and to teach others with authenticity. These four books are very valuable tools for pastors, religious teachers, professors of religious studies, priests, Sunday schoolers, group sessions, and missionary workers. They will gain ample knowledge about the religions of those people with whom they are working with.

*100 Questions about the Bible and the Qur'an* 2011-11-16 Daniel Wickwire Meditate upon these things; give thyself wholly to them, that thy profiting may appear to all. Take heed unto thyself and unto the doctrine; continue in them; for in doing this thou shalt both save thyself and them that hear thee. 1 Timothy 4:15-16 The messengers We sent before you (O Muhammad), were not other than men to whom We gave revelation. Ask the people of the Rememberence if you do not know. (We sent them) with clear signs and writings; and We have revealed to you (O Muhammad) the Rememberance (the Qur'an) that you may explain to mankind what was sent to them, that they may give thought. Nahl 16:43-44

In this quest for Truth, spanning many centuries and diverse civilizations, organized religion has shaped human life and determined to a large extent, the course of history. While some religions have been based on books, claimed by their adherents to be divinely inspired, others have relied solely on human experience. Al-Qur'an, the main source of the Islamic faith, is a book believed by Muslims, to be of completely Divine origin. Muslims also believe that it contains Divine guidance for all humankind. Since the message of the Qur'an is believed to be for all times, it should be relevant to every age. Does the Qur'an pass this test? In this booklet, I intend to give an objective analysis of the Muslim belief regarding the Divine origin of the Qur'an, in the light of established scientific discoveries. There was a time, in the history of world civilization, when "miracles", or what was perceived to be a miracle, took precedence over human reason and logic. But how do we define the term "miracle"? A miracle is anything that takes place out of the normal course of life and for which humankind has no explanation. However, we must be careful before we accept something as a miracle. An article in `The Times of India`, Mumbai, in 1993 reported that "a saint" by the name "Baba Pilot" claimed to have stayed continuously submerged under water in a tank for three consecutive days and nights. However, when reporters wanted to examine the base of the tank of water where he claimed to have performed this "miraculous" feat, he refused to let them do so. He argued by asking as to how one could examine the womb of a mother that gives birth to a child. The `Baba" was hiding something. It as a gimmick simply to gain publicity.(THE TRUTH ABOUT MUHAMMAD AND JESUS)Top 10 information you can learn in this book & why this is a must read book for all 1. **God in the Qur'an** 2018-11-13 Jack Miles Who is Allah? What does He ask of those who submit to His teachings? Pulitzer Prize-winner Jacke Miles gives us a deeply probing, revelatory portrait of the world's second largest, fastest-growing and perhaps most tragically misunderstood religion. In doing

so, Miles illuminates what is unique about Allah, His teachings, and His resolutely merciful temperament, and he thereby reveals that which is false, distorted, or simply absent from the popular conception of the heart of Islam. So, too, does Miles uncover the spiritual and scriptural continuity of the Islamic tradition with those of Judaism and Christianity, and the deep affinities among the three by setting passages from the Hebrew Bible, the New Testament, and the Qur'an side by side. In the spirit of his two previous books, *God and Christ*, and with his characteristic sensitivity, perspicacity and prodigious command of the subject, Miles calls for us all to read another's scriptures with the same understanding and accommodating eye that we turn upon our own.

In this anticipated follow-up book, Nabeel reveals what he discovered in the decade following his conversion, providing a thorough and careful comparison of the evidence for Islam and Christianity--evidence that wrenched his heart and transformed his life. **200 Questions about the Bible and the Qur'an** 2018-11-01 Dan Wickwire Would you like objective answers to important spiritual questions, answered directly by the Bible and the Qur'an? This book addresses 200 spiritual questions every Muslim believer should consider and uses scripture as the answers to the questions. Clarifying notes are added if needed, though rarely, instead letting the Holy Books speak for themselves. *200 Questions about the Bible and the Qur'an* answers questions such as these: Is it accepted that the Holy Bible is the Word of God? (Tevrat, Zebur & Injil) Does God want to protect all of His Holy Books from change and corruption? (Purpose /Niyet) Are the "God" of the Bible and the "Allah" of the Qur'an one and the same entity? In the Holy Books when God refers to Himself, does He ever speak in the first person plural "We"? Does God look on believers as being merely His slaves or servants? Is the Holy Spirit accepted as God? Is it accepted that Christ is the one and only mediator between God and man? Is it accepted that Christ is alive today and that he will come again? Is Muhammad's self-proclamation of being a prophet a valid test or proof of prophethood? Does a holy God take small sins seriously? Is a person's salvation contingent upon their own good works? (Ameller) Will everyone have to spend a period of time suffering in hell? Are women required to wear a veil outside the home? Did God create people in His own image and likeness? Did God promise the land of Palestine specifically to the Jews?

**Do We Worship the Same God?** 2006 George Dardess "The question I am asking in this book—Do

we worship the same God?—is already being addressed....No simple, single answer has emerged. Yet the interplay of responses has been thoughtful and generous, indicating that, at least for right now, the discussion itself is more important than the answer." —from the Introduction Are you a Catholic curious to learn more about Islam? What exactly do Muslims believe? How do those beliefs differ from your own? What do Muslims believe about Jesus? Mary? Satan? Creation? The Holy Spirit? Do we worship the same God? In *Do We Worship the Same God? Comparing the Bible and the Qur'an*, George Dardess, a Christian expert on Islam, provides a wealth of information about the teachings of both Christianity and Islam to help readers themselves discern if Christians and Muslims worship the same God. He gives a brief introduction to the history of Islam, draws parallels between Jesus and the prophet Muhammad, and compares what the Bible and the Qur'an (the holy book of Islam) teach about creation, Satan, Jesus, the Holy Spirit, prayer, the Jihad, judgment, heaven and hell, and more. In clear and easy-to-understand language, Dardess guides readers who want to engage in dialogue with Muslims on how to answer the question "Do we worship the same God?"—a question of increasing importance since September 11. Chapters end with guided discussion questions.

Has the Bible Been Changed? 2011-11 Daniel Wickwire The Muslim Claim of Corruption In spite of the fact that a) the Qur'an requires all Muslims to believe in the Torah, Zebur, and Injil as the Word of God, and even though b) the Qur'an clearly states that no one can ever change the Word of God, c) nevertheless, most Muslims today believe that the Bible has been changed and corrupted. The reason why Muslims have not been able to see that these claims are contrary to all logic and reason is because there are many points of conflict between the Bible and the Qur'an. Muslims have made the a-priori assumption that the Qur'an could not be wrong, and therefore the Bible must have been changed. While all Muslims are commanded in the Qur'an to honor and obey Jesus as a prophet, at the same time most Muslims refuse to read or heed the commands of Jesus which are found only in the Injil on the pretext that it has been changed. And so the paradox remains; since there are no direct quotations of Jesus to be found in the Qur'an, how can Muslims honestly say that they honor Jesus as a prophet while at the same time they refuse to read and obey Jesus's own words which are found only in the Injil? At the core of these false claims of corruption is an innate hypocrisy and a spirit of unbelief which needs to be exposed for what it is. The Qur'an challenges Christians to: "bring your proof (of what ye state) if ye are truthful." (Bakara 2:111) This book takes up this challenge and provides ample proof from both the Bible and the Qur'an, as well as from historical and manuscript evidence, to show that the Bible that we have today is indeed trustworthy and reliable as the Word of God. This book exhorts Muslims to repent of their hypocritical double standards and their sin of unbelief and encourages them to read and obey the unchangeable Word of God as it is recorded and preserved in the Holy Bible.

**111 Questions on Islam** 2014-07-08 Samir Khalil Samir The terrorist attack on the Twin Towers, the Afghan conflict, waves of migration, and the presence of twelve million Muslims in the European Union: these are just a few of the things that have helped contribute to a growing interest in Islam, its culture, and its followers. They awaken old and new questions about a religious, cultural, and political reality that 1,200,000,000 people consider themselves a part of. This book is the result of a series of extended interviews between an internationally acclaimed expert on Islam and two journalists who have dedicated themselves for many years to studying key themes of Islam and analyzing the possibility of coexistence between people of different faiths and cultures. How was Islam born? What does the Qur'an represent for Muslims? What relationships have developed between Islam and violence, between Islamic culture and the West? How can a real integration of Islam take place in European societies? What are the conditions for a constructive encounter between Christians and Muslims? Samir Khalil Samir one of the world's leading experts on Islam responds to these questions in an in-depth interview that can help one learn and judge for oneself, without prejudice or naivete. This is a contribution in the spirit of the realism needed in order to build adequate ways of living with those who have become our new neighbors.

The Bible and the Qur'an 2018-02-08 John Kaltner The Bible and the Qur'an provides an overview of

all the figures and groups who are mentioned in both the Bible and the Qur'an. Principal focus centres on the similarities and differences between the presentations of these characters in the two texts, with special emphasis placed on how they appear in the Islamic text. References are also included to how many of the individuals/groups discussed are treated in other Islamic sources. Each figure or group includes: (1) a list of relevant Qur'an passages; (2) a description of how the individual/group is presented in the Islamic Texts; (3) questions and issues to consider; (4) suggestions for further readings. An introductory section provides a basic orientation to the Qur'an and other Islamic sources.

Qur'an in Conversation 2014 Michael Lawrence Birkel The Qur'an is God's verbatim speech for most traditional Muslims. Qur'an in Conversation reflects how this sacred text of Islam comes into dialogue with the contemporary world through the voices of the eloquent interpreters gathered in this volume. In Qur'an in Conversation, author Michael Birkel engages North American Muslim religious leaders and academics in conversations of scriptural interpretation. Scholars, practicing imams, and younger public intellectuals wrestle with key suras of the Qur'an. Qur'an in Conversation demonstrates a wide spectrum of interpretation and diversity of approaches in reading Islam's scripture. The discussions directly address key issues in Muslim theology--good versus evil, the nature of God, and the future of Islam. Younger North American Muslims read the Qur'an in varied ways; this is analogous to the diverse ways in which Jews and Christians have interpreted their own holy books. Michael Birkel welcomes people of goodwill into a public conversation about the current role of Western Muslims in Islam. Qur'an in Conversation encourages non-specialists and Muslim scholars alike to imagine how the Qur'an will be interpreted among North American Muslims in years to come. --Omid Safi, Professor of Islamic Studies, University of North Carolina "Publishers Weekly"

**Decoding Nicea** 2014-06-01 Paul F. Pavao The Council of Nicea was not merely clerics in a dark and ornate hall. It was brawls in churchyards. It was emperors and governors fighting to save the empire ... and perhaps salvage a little fame for themselves. It was political intrigues as the governments of church and state blended into a volatile stew. It was the way a fringe group of peace-loving communal worshipers of a crucified Palestinian prophet conquered the Roman Empire.

**Islam Unveiled** 2003-11-25 Robert Spencer In "Islam Unveiled," Robert Spencer dares to face the hard questions about what the Islamic religion actually teaches--and the potentially ominous implications of those teachings for the future of both the Muslim world and the West. Going beyond the shallow distinction between a "true" peaceful Islam and the "hijacked" Islam of terrorist groups, Spencer probes the Koran and Islamic traditions (as well as the history and present-day situation of the Muslim world) as part of his inquiry into why the world's fastest growing faith tends to arouse fanaticism. "Islam Unveiled" evaluates the relationship between Islamic fundamentalism and "mainstream" Islam; the fixation with violence and jihad; the reasons for Muslims' disturbing treatment of women; and devastating effects of Muslim polygamy and Islamic divorce laws. Spencer explores other daunting questions--why the human rights record of Islamic countries is so unrelievedly grim and how the root causes of this record exist in basic Muslim beliefs; why science and high culture died out in the Muslim world--and why this is a root cause of modern Muslim resentment. He evaluates what Muslims learn from the life of Muhammad, the man that Islam hails as the supreme model of human behavior. Above all, this provocative work grapples with the question that most preoccupies us today: can Islam create successful secularized societies that will coexist peacefully with the West's multicultural mosaic?

222 Bible Mysteries SOLVED by Islam 2022-12-17 Mohamed Moussa Ghounem Can Comparative Religion Be Fair? Peace be upon you brothers and sisters, Loving Humanity, Empathy for our Afterlife, Dueling with deceit, are just a few of the reasons one may have Passion for Comparative

Religion. Comparing Scriptures with Rabbis, Priests, Preachers, Presidents of Evangelist Colleges for decades, you come to the realization that Comparative Religion Appears Fair, but is Far from having Equivalent Language and Time Requirements. The Three Abrahamic Religions: [Judaism, Christianity, and Islam], are not Linguistically Equal. The Language Requirements of Christianity are Absolutely Unique to Judaism and Islam. Christianity has Relaxed Requirements in Respects to Language. Bibles are Accepted in All Languages as the exact Authentic words of God. Compared to Judaism and Islam who have the Rigorous Requirement that Scripture is only Authentic in the Original Language. The linguistic inequality is unfair to Christianity because the Gospel was not Preserved in its original language (Aramaic) and we only have the translated Greek. Early Greek Christians had a business mentality towards Religion, Removing nearly every Requirement to join Christianity, except 10% of our income (Tithes). The Greek business approach to religion didn't Foresee the Consequences of not maintaining Requirements set by God. Instead, Christianity was offered as an Easy Religion: 1) No Requirements to Learn a new language to Read - Hear the Exact words of God, instead, any & Every language was anointed and accepted as authentic 2) No Requirements to follow the Laws of Moses, All sins are forgiven if you accept someone else died for you 3) Holidays such as Christmas & Easter are researched and focused on and Multiple Christmas songs memorized more than any page in the Bible. 4) Jesus was redesigned to resemble the Greeks more than the Hebrews and his original language - words requiring works in Aramaic were destroyed and only the Greek Gospels remain. Changing Christianity into an Easy religion to have Mass appeal has expanded Christianity to be the Largest Religion, but all calculations and censuses forecast more Muslims than Christians by 2075 - If we calculate Either Catholics or Protestants, then Islam is already the largest religion compared to each, proving being Easier does not Prevail being Truthful. Removing the original Language Requirement is the same as Removing the Requirement to be Authentic, giving Christianity a disadvantage when being compared to Judaism and Islam. For example: On average, every 50 years, a different English Bible with a different name, different words, from a different Church is Published and accepted by divisions of Christians as the exact words of God. Christians Relaxing the language and law requirements Worldwide has spawned unlimited Bibles in different languages conflicting with each other because languages can't be perfectly translated, forming hundreds of errors, hundreds of Christian sects, corruption, scandal and closures in many Churches. Comparative Religion is not fair because Christians have an Ocean of Bible - translations - multiplying the cannons for the critics of Christianity to list grammatical, copyist, and translation errors from 40+ times more content compared to Judaism or Islam. For Example, "The King James Bible" may have its own hundreds of Bible mysteries - anomalies - etc., then the opponent of Christianity can find dozens of more errors in the "Good News Bible", "New International Bible", "New Revised Standard Bible", etc.. Just in English, there are 40+ differing Bibles, each with their own issues, because all of them are considered authentic, we can add all the Hundreds of Errors from all 40+ Bibles, giving an unfair advantage to any Jew or Muslim questioning a Christian. Because Christians forfeit the requirement of one Authentic language to Read and Hear Scripture Exactly as said from God, Christians also surrender being able to say the Bibles are anything other than "translations". All Translations - Translators - humans make errors, therefore even if each English Bible only had 1 single error, a rival of Christianity can add all 40+ Bibles to contend with Christianity or even worse, avoid our Creator Christians will never win a Religious debate because of the Bible weakness of Language. The original language (Aramaic) of their deity (Jesus) is extinct, instead their translations are based on Greek and German into English, shifting the entire meaning of Jesus from the Hebrew Moses to Greek Zeus. The second reason the language requirement makes comparative religion unfair for Christians when debating Jews or Muslims is because of Hebrew or Arabic to English Dictionaries. If a Christian Questions an anomaly in a English translation of the Torah or Quran, a Jew or Muslim can simply Show from Any Hebrew or Arabic to English dictionary any one of the dual meanings of any words in question, thus giving Jews and Muslims Unlimited Correct and Verifiable Answers. Christians neither have an Original Aramaic to English dictionary or the Aramaic verses to try to defend mistranslated Greek to German

to English Bible words and furthermore, Christians are sold the English Bible as the exact words of God. Admitting the English Bible is mistranslated and to try to extract a Greek root word is why it's not fair comparing Scriptures because Christians instantly admit and even put it in writing in nearly every Bible commentary that the English Bible has translation/copyist/grammatical errors. In summary, Christians removing the one language requirement and also removing the original language - opens Christianity to a growing number of skeptics towards the English Bible that just by defending it with the Greek root admits the English Bible is not Divine. Keeping the Language Requirements Shields Jews and Muslims from translation critiques because only the Hebrew or Arabic are Accepted as Authentic, not the translations. Additionally, Jews and Muslims have an unlimited amount of translation dictionaries to defend Torah or Quran English mistranslations unlike the Christians. For Jews and Muslims, the English Translations of the Torah and Quran are only tools to Understand the Original Holy Scriptures. The English translations are not considered Holy as in Christianity. God Saved the Christian Bible by Sending the Holy Quran in Arabic 632 Ad, just 300 years after the Aramaic Bibles were destroyed by the Greek Christian council in 325 Ad, nearly 300 years after Jesus. The Holy Quran in Arabic is a relative language to the Middle Eastern Aramaic and has been accepted worldwide by more than a Billion followers and for hundreds of miles in any direction where Jesus was born and preached in Aramaic, we have converted to Islam and pray in Arabic, continuing the Authentic Abrahamic Faith. Jewish Scripture is also not fair for Muslims to compare because unlike the disadvantages of Language in Christianity, Jews have the Disadvantages of Time: 1) Time Verses Nature - Very Devout Generations of Jews have Preserved Scriptures for Centuries, Copying Hundreds of Scrolls for Hundreds of years using candles, bird feathers, crossing Seas (Exodus 14:21) Being Lost in the Wilderness for 40 years (Numbers 14:20:22), Multiple Genocides and Battles, Israelites in the Bible have been attacked 52 times, captured and recaptured 44 times, besieged 23 times, and destroyed twice, Effecting the quality of Jewish Scripture during 6,000 years. For Example: The Horrible Nazi Holocaust that killed millions of Jews was less than 100 years ago and had a major impact on Jewish artifacts, some belongings from 1933 are still being probed. How Fair would it be to compare Jewish documents that suffered nearly 60 Multitudes of Holocausts during 6,000 years, averaging one Holocaust nearly every 100 years according to Bible statistics Compared to the Holy Quran that was written and preserved within 20 years with zero Holocausts? 2) Time Verses Temptation - Jewish Scribes had the Massive Responsibility of passing and teaching the Torah to their children and Community for hundreds of years. Tolkien wrote about Hobbits in "Lord of the Rings" having a similar wrenching struggle to resist putting a human touch on the Divine, graphically displaying the Pressure to Resist the Temptation of Power. The discipline to Keep God great and humans humble in Jewish Scripture For Centuries was perhaps unbearable to some Jewish Rabbis, some even confessed their deceit (Jeremiah 8:8) Jewish Scribes Endured Resisting power for centuries more than Any Religion, Rome & Riyadh both have many billionaires who benefit from being in vicinity to religious capitals, the Jews struggled with greed for twice as long as Christianity and Islam combined. The Battle of shifting power and resources from the people to the Pope, from Prophets to rabbis, from Muslims to monarchs is a timeless struggle that Jews & the Torah has had to endure longer than any other religions 3) Time Verses Science - Jewish scribes had the disadvantage of writing scripture during a time of minimal Scientific understanding or discovery. Contending with both what their eyes could see and believe and risking deadly persecution by fire or decapitation if the Jewish scribes crossed established societal scientific norms thousands of years ago such as: The Earth being the center of the universe (Psalms 96:10), the Earth being Flat (Isaiah 11:12), the Sun and Moon being equal lights, each turning on depending on the time of day (Genesis 1:16), just to list a few. Thus, Comparative Religion is not fair, Debating Jews and Christians is not fair, the Debates may seem fair because the Jews and Christians usually speak better English, they Usually look like Harvard Professors compared to the average Muslim looking foreign, and many people are swayed by appearance and phonics, thus the debates seem somewhat fair but decades later, you realize they are anything but fair. So what do we do other than debate? We Teach, Teach Jews and Christians how the

**Reuniting the Children of Abraham** 2020-01-28 Brenda Naomi Rosenberg Reuniting the Children of Abraham is a powerful, multimedia peace initiative created with Jewish, Christian and Muslim families to combat the fear, bigotry and bullying that fuels violence. The multicultural project described in this book includes inspiring true stories and educational materials that flow from the ancient story of Abraham, a patriarch in all three faiths. Just as Abraham's own children were reunited, this project is a model for calling these vast families of faith toward building peaceful new relationships. The project was the focus of a CBS network special documentary, which pointed out: "Abraham, of the Old Testament, was the founding patriarch of a new, monotheistic faith, which included Jews and later Christians and Muslims. One of his two sons is historically tied to the founding of Judaism, the other to the founding of Islam." CBS Executive Producer and Director of that special, John P. Blessington, said, "This project is a powerful experience that gives hope to the idea of these three religions being able to find their common heritage as a reason for mutual religious respect and spiritual healing in the future." Now, the source materials for this project, which range from shared prayers to true stories of young participants, are appearing in book form so that individual readers and small groups will be inspired to carry this kind of interfaith work into their communities. The texts in the book include educational material developed by scholars at the University of Michigan as well as the Michigan State University School of Journalism. The book also draws on wisdom from the Bible as well as the Quran. Reporting for The Detroit Free Press, David Crumm wrote about the urgency of this program, which has been presented in several formats in communities across the country. David wrote, "Once we rediscover our shared origin story in the ancient family of Abraham—Jews, Christians and Muslims living today must face the powerful truth that God still is calling us to reunite our family." In Minnesota, Muslim community leader and mother Arshia Khan helped to bring the program to Duluth. Arshia said, "God created us for a purpose. We need to learn to live with each other. We believe in the same God. If our children see us doing the right thing, they learn about love and respect for each other." The book closes with recommendations for further reading as well as links to additional resources available online.
