100 Answers to Questions from the Neighborhoods 2016-12-29 Tim Wallingford 100 Answers to Questions from the Neighborhoods: Personal Evangelism Done Jesus Style Companion Study Guide is a modern-day application of Jesus and the apostles strategy to fulfill the Great Commission. In just 30 years their evangelistic method was bearing fruit and growing throughout the whole world (Colossians 1:6)! Did you know Jesus walked over 3,000 miles through neighborhoods throughout Palestine? In Matthew 10, Jesus commanded his disciples to go into a neighborhood, find a worthy person and stay at their home. From there they went out and met the neighbors. The disciples then showed love to those they met by meeting any physical need(s). Only then would they share Gods love story, the gospel of Christ. This was also Jesus personal strategy. Today most evangelistic plans involve attracting the neighbors into the church. Churches do this with events, dynamic worship services, and quality programs for every member of the family. Many churches do this well but sadly the American church is in decline. Less than 20% of Americans now regularly attend church. In 1990, 20.4% attended church. In 2000, the percentage dropped to 18.7%. By the year 2050 if the church doesnt change, it is estimated church attendance will drop to 11.7%. This can be reversed if we adopt the evangelistic strategy used by Jesus and the apostles. This book gives you a detailed breakdown of the gospel the apostle Peter presented on the Day of Pentecost that ended with 3,000 baptisms in one day! The book will also show you how Luke, the author of Acts, packaged the never-changing gospel to ten different types of neighborsthe hurting, religious, spiritualist, seeker, fanatic, good person, abuser, skeptic, misinformed and pleasure seeker. This book and its training manual identify over one hundred questions about spiritual matters and help you have the answers your neighbors need to hear!

Frontier Follies 2020-11-17 Ree Drummond New York Times bestseller A down-to-earth, hilarious collection of stories and musings on marriage, motherhood, and country life from the #1 New York Times bestselling author and star of the Food Network show The Pioneer Woman, Ree Drummond. Once upon a time, I lost my marbles and married a sexy, Wrangler-wearing cowboy named Ladd. That single decision would wind up setting the stage for years of rural adventures (and misadventures), and while I can't imagine my life being any different, raising a family in the "idyllic" countryside has not been without a few bumps in the road. (Or were those cow patties? It's hard to tell the difference sometimes.) I'm excited to share this crazy collection of true stories from my full-of-energy, hard-to-tame, wonderfully wild (and very weird) frontier family. From the unique challenges of being married to a rancher to the blood, sweat, mud, and tears of raising country kids, I'll pull back the curtain and let you in on some of the sh*t and shenanigans that have really gone on here on Drummond Ranch over the past two-plus decades. You'll learn about marital spats, run-ins with wildlife, ER visits, my parenting neuroses, triumphs, tribulations, love, loss . . . and how manure has somehow managed to weave its way through all of it. To keep things up to the minute, you'll also hear about more recent family developments that have tested my sanity and pushed me to the brink. (And pleasantly surprised me, too.) This book is both a love letter and a laugh letter, and I hope you get a big kick out of it all: the good, the bad, and the dirty. Mostly, I hope it demonstrates how much I adore this family of mine . . . even if I sometimes have to use rubber snakes to show it.

100 Things to Know When Dating 2015-03-13 ROSE PUBLISHING. What should men and women consider about members of the opposite sex? This full-color, bestselling, 12-panel pamphlet gets to the heart of what really matters by presenting 100 Things to Know When Dating, Important topics to consider and discuss include character, responsibility, Christian faith, honesty, motivation, habits, addictions, and danger areas, among others. 100 Things to Know When Dating includes preliminary counsel from Scripture, biblical advice on breaking up, encouragement after a break-up, and helpful Relationship Risk Quiz. Size: 8.5x 5.5 unfolds to 33 long. Fits inside most Bible covers. How can two people approach dating carefully and with respect for each other? By answering 100 questions outlined in this compelling pamphlet. The pamphlet is excellent tool for singles of all ages and provides information on several different levels, including: Basics--For example, Does this person still live at home? Why? Faith and character-- For example, Does this person do kind and loving things for others without being asked? Lifestyle--Does this person have odd opinions, poor manners, or trouble keeping friends? Personality traits--Do you find yourself apologizing for his/her behavior? Deeper issues-- Does he/she hold you down and tickle you when it is no longer fun? Dating is fun and exciting, but may have moments that are difficult and awkward. This informative pamphlet can help avoid the pain of incompatibility

by offering preliminary questions and ideas to consider. One hundred questions form the bulk of the pamphlet, covering basic information; basics about faith and character; basics about lifestyle; personality traits; and deeper issues. Here is a sampling: How often does his/her family get together? Does this person get along with other people in his or her family? Does this person seem to have a vital relationship with God or does he or she just say religious things? (1 John 2: 3-6) Does he or she joke or brag about doing wrong things? (Proverbs 10: 23) Does this person flirt with others or treat you with respect? (1 Corinthians 13) Is he or she irritable, unforgiving, stubborn or looking for an opportunity to take revenge? (Matthew 5: 38-39) Does he or she talk about past relationships often? Is there anything about him or her you would not want your parents or friends to know? These questions encourage singles to consider what could become a more serious issue. Some questions offer scriptural answers or points to consider. For example, the question Is this person jealous about your time with friends and family? is followed by Proverbs 27: 4 as a point to ponder: Wrath is cruel, and anger is outrageous; but who is able to stand before envy? The pamphlet also includes a section of recommendations with key Scripture verses for courtship and marriage, such as: Listen and Slow Down--James 1: 19, 20 My dear brothers, take note of this: everyone should be quick to listen, slow to speak and slow to become angry, for man's anger does not bring about the righteous life that God desires. Other topics include: Breaking Up is Hard to Do gives wisdom and advice from the Word. Filling the Void After a Recent Breakup presents Bible verses with blanks that can be filled in, giving the reader a time of reflection in Scripture search. This is a tremendous resource for singles of all ages, and can serve as a basis for group discussions for teen and singles' ministries. Some couples use it as discussion topics to work through together. Other people think through the issues personally as a reality check. It's up to you.

100 Tough Questions about God and the Bible 2014-04-15 Stephen M. Miller Straightforward answers to questions Christians and skeptics alike ask about God and the Bible Let's be honest--the Bible can be hard to understand. It's full of weird laws, apparent inconsistencies, and tales of a God who often doesn't do what we expect. You may have asked about some of these things and been brushed off or given trite, unconvincing answers. But serious questions deserve thoughtful responses, especially when opinions of Bible experts clash. Stephen M. Miller pulls insight from a wide range of Bible experts to report their answers to the tough questions. He does so with a touch of humor and no preaching, allowing you to draw your own conclusions. Questions include: · Would a loving God really put a good man like Job through horrible suffering just to test his loyalty? · If God knows everything, why did he test Abraham's faith by asking him to sacrifice his own son? · How could there be just one God, yet three? · Since Jesus told people to turn the other cheek, why aren't more Christians pacifists?

100 Questions You Must Ask Your Spouse To Be 2020-06-30 Morolayo Anne Owoputi This book serves as a guide on the deep questions you should have answers to or asking your potential partner and yourself before undertaking any plans towards Marriage with him or her or flinging yourself blindly into Marriage with a Stranger. From experience, I have realized that several people go into Marriage without really knowing the person they are getting married to well. This realization dawned on me as a result of the many issues that I have come across through the online community that I convene ('Marriage Clinic'), where couples bring up the various problems they are facing in marriage. The first question one usually asks is, didn't you know all of these about your spouse before you went ahead to marry them? The majority of responses gotten from these couples revealed that many of them married a familiar stranger and knew next to nothing of the real person they had committed to for a lifetime journey. Experience goes to show that many of us probably didn't ask the right questions during the dating and courtship period as many seem to be carried away by the euphoria of falling in love that we forget to search out the most important things about the person. It is to address this blind spot that this book has been written. It is to help you know as a single person what crucial and most important questions you should be asking from the start of the friendship and relationship. You must Learn to discount a person and search them out beyond the physical façade of the beautiful and handsome looks, beyond the cars and houses or an excellent job. These are questions that will help you know the true worth of the

man or woman. These are not lovey-dovey questions, but questions deep and severe enough to ward off the false and unserious suitors, leaving you with the serious and true, the ones that will suit, care, and love you.
